PARENT LEADERSHIP COUNCIL

The Parent Leadership Council (PLC) was founded in 2016 by a group of Wofford parents with help from Wofford staff. Members support the college with gifts of at least \$2,500 to the area of their choosing, including Terrier Club and sport-specific funds. The group meets twice a year to hear from Wofford leadership and become more informed about the happenings of the college, ensuring their chance to be ambassadors for Wofford in their communities.

Questions should be directed to Thom Henson '96, the director of parent engagement, at hensontm@wofford.edu or 864-597-4213.

PARKING

Wofford Athletics offers elevated parking for our men's basketball and football home events. The elevated areas are related to Terrier Club membership levels.

Football parking

- Lots B, C, Y, E, F, P and V are reserved for Terrier Club members.
- Specific lot access is correlated to Terrier Club donation levels. Check out our giving levels and the lots they correspond with at wofford.edu/tc-benefits-chart and wofford.edu/football-parking-map.

Men's basketball parking

- Zones 1 and 2 are reserved for Terrier Club members. Access requires a minimum Pacesetter giving level and is determined by priority points.

PASS LIST INFO

Student-athletes receive four tickets for home contests in their sport through a pass list. Away contest tickets may be subject to availability depending on our allotment provided by opposing teams. Some sports are not ticketed so this may not be applicable (we currently require tickets for volleyball, football, men's basketball and women's basketball).

If more tickets are needed for additional guests, please contact ticket manager Shelby Taylor at taylorsh@wofford.edu, 864-597-4091.

There is a two-step process for assigning tickets to guests to get them on the pass list for a contest. The guest must be added in the student-athlete's JumpForward account for approval (it is a good practice to add all guests that will attend frequently to your list prior to your season). Once a guest is approved, they must then be assigned a ticket in the student-athlete's JumpForward account for each contest that they will attend.

Please contact Sam Keenan, the assistant athletics director for compliance, at keenansc@wofford.edu or 864-597-4247 for more information on pass list instructions and rules.
