Type of Administration: The Plan is administered by the Plan Administrator. The benefits provided by the Group Insurance Policy issued by Sun Life Assurance Company of Canada are included in the Plan. Sun Life Assurance Company of Canada is the claims administrator for those benefits and has full authority to make all benefit claim determinations.

Participants: The insured employees described in the Sun Life Assurance Company of Canada Certificate.

Plan Changes and Termination: The Plan Administrator may amend, modify or terminate the Plan.

Contributions: The cost of the insurance premiums are paid for by you.

Funding: The benefits under the Plan are funded, at least in part, by the Group Insurance Policy issued by Sun Life Assurance Company of Canada. Those insurance benefits are described in your Certificate.

Claims Procedure: When you or your beneficiary wish to file a claim under the Plan, you should contact your personnel office for claim forms and instructions for filing. Your Certificate explains the procedure for filing a claim under the Group Insurance Policy.

If your claim for benefits is denied in whole or in part, you will receive a written notice within the time required by ERISA from the date you filed your claim, stating the reasons why your claim was denied. You will then have the right, upon written notice from you or your authorized representative, to review that claim denial. The claim denial notice will include the name and address of the person you may ask for such a review. Additional information about claims submitted and review procedures may be obtained by contacting your Plan Administrator.

Your Rights under ERISA:

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) **filed** by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report, if required by ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan Documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part and if you have exhausted the claims and appeal procedures described in the Certificate, you may file suit in a state or Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance of the U.S. Department of Labor, or you may

file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.
